Shona Boat Trips - https://shonaboattrips.wixsite.com/calftrips Port Erin	Chris Burton	We operate from May to September around the south of the Isle of Man. We also land at the Calf of Man. The wildlife in this region is extensive, with seals, basking sharks, Risso's and Common Dolphins
Discover Diving - http://www.discoverdiving.im/ Port St Mary	Michelle Haywood	<p>Discover Diving is the Isle of Man's only diving centre. Established in 2004, we moved to our current location in Port St Mary in 2008. Discover Diving is run by Steve Cowley and Michelle Haywood, who are both experienced divers and instructors.</p> <p>The Isle of Man is the first whole nation to be awarded <u>UNESCO Biosphere</u> status. Discover Diving is proud to be a Biosphere partner.</p>
Manx Whale and Dolphin Watch - https://www.mwdw.net Peel	Roy Maddrell	Manx Whale and Dolphin Watch (MWDW) has been at the forefront of marine mammal science on the Isle of Man since 2006. We work voluntarily year round to ensure the safeguarding of whales, dolphins, and porpoises (cetaceans) in Manx territorial waters through non-invasive research and public awareness efforts.
The Venture Centre - https://www.venturecentre.im Maughold	Simon Read	We are situated amongst the rolling farm land of the beautiful Isle of Man. Nestling close to the base of North Barrule and only five minutes from the secluded beach at Port e Vullen the centre is perfectly situated to provide an ideal venue for groups of all ages. We are recognised

		as one of the UK's leading providers of fun and engaging school adventure holidays.
